

What are Chamber Gift Certificates?

Just Like Cash.

Chamber Gift Certificates are just like cash to be used at participating local businesses.

Chamber members are automatically enrolled into this program. If someone uses a gift certificate to pay you, simply bring it into the Chamber office and we will write you a reimbursement check.

- Do not give change back
- They do not expire

They can be purchased from the *Wapakoneta Chamber of Commerce* (dollar for dollar) to use or gift to others to **encourage local spending. This program keeps around \$15,000 annually in our local businesses.**

Chamber Gift Certificates make the perfect gift and keep money spent local.
